

The SEI Global Managed Volatility Fund (“the Fund”) is a sub-fund of SEI Global Master Fund PLC. The Fund is managed by SEI Investments Global, Limited, part of the SEI group of companies.

The objective of the Fund is to achieve capital growth whilst providing an element of protection in falling global equity markets. The Fund is expected to lag in strongly rising equity markets.

Our document provides essential information about the Fund's features, risks, and potential returns. We provide Monthly Performance Scenarios to show you how the investment product has performed in the past and to help you understand its potential returns. Use this information to determine if this investment product aligns with your goals and risk tolerance.

Please note that the Monthly Performance Scenarios (MPS) presented in this document are estimates based on past performance and assume a full 5-year holding period. Actual investment performance may vary and may be better or worse than the figures shown. Past performance is not a reliable indicator of future performance. Additionally, the figures shown do not include taxes or other costs that may be incurred by the investor. Please be aware that you may not get back the full amount invested. The figures shown are net of costs and charges associated with the investment product.
