Please note that the Monthly Performance Scenarios (MPS) presented in this document are estimates based on past performance and assume a full 5-year holding period. Actual investment performance may vary and may be better or worse than the figures shown. Past performance is not a reliable indicator of future performance. Additionally, the figures shown do not include taxes or other costs that may be incurred by the investor. Please be aware that you may not get back the full amount invested. The figures shown are net of costs and charges associated with the investment product.
